ISA Introduction

Emily Ward (National Sports Officer) and Neave Wilson (National Sports Coordinator) organise a national programme of sports events for ISA members to take part in annually. ISA also has a group of voluntary Area Sports Coordinators, who organise a programme of sports events in each area, they are your main point of contact for area enquiries.

ISA Sport has been a key feature of ISA since the Association was founded in 1878 and it is now one of the largest sports programmes offered to Independent schools in the UK. Many events are one day open events, schools simply need to book a place to take part.
